NAVAL LAWNS AND MARINE BARRACKS

Captain Niblack is treating the lawns at the Naval Station to a layer of soil, through which the grass is springing up luxuriantly green. This will be cut down and still another layer added. This will raise the lawn about three inches and also freshen the entire place. The lawn at the Waikiki side of the premises will not be touched as this is now used as a drill-ground for the marines. Should the navy department decide to erect barracks for the marine guard, the parade ground will be utilized for the purpose. Should the navy people require all the coal shed space for the storage of coal the marines may at some future time have to camp out in tents on the parade ground.

NEBRASKAN IN FROM THE COAST

The steamship Nebraskan arrived last evening shortly after six from San Francisco, with a cargo of about 3000 tons for this port and Kahului. The vessel will load 500 tons of sugar here, and 5000 at Kahului, departing on Sunday evening for the latter port. The vessel has nine head of livestock and two bears consigned to A. V. Gear.

The vessel ran into a gale last Saturday, which was the cause of her delay in reaching port. The Nebraskan brought one day's later newspapers and some mail.

WHERE TRANSPORTS WILL BE DOCKED

The transport Logan, on arrival from San Francisco on March 8, or 9, will be moored at Naval dock No. 3. She will land marines and stores intended for transshipment by the U. S. S. Petrel to Midway, from which station the present guard will be brought back to Honolulu. The transport Thomas on arrival from Manila will moor at Naval dock No. 1.

BARK OFF MOLOKAI FOR PAST WEEK

"Diamond Head" Charley reported last evening that a bark was standing off Molokai and that it had been there off and on for about a week. He was unable to give her name.

BEAR GOES TO HAWAII TODAY

The U. S. Revenue Cutter Bear will leave this morning for Hawaii on a cruise. The officers consider themselves in luck to go there while Kilauea is in eruption.

Mongolia Due Sunday.

H. Hackfeld & Co. expect the steamship Mongolia to arrive tomorrow morning from Yokohama. The vessel may be dispatched on Monday morning for San Francisco.

SHIPPING NOTES.

There is a general expectation that the steamer Iwawani will return today from her cruise, about the nature of which various conjectures have been offered.

Gerrit Wilder returned yesterday on the Mauna Loa from Lahaina, after spending a week there and on Lanai. He went to the latter island on the Iroquois last Sunday, and with Captain Niblack's party participated in a shoot there which netted them forty-six pheasants and seven turkeys. He went to Lahaina by whaleboat.

Herbert Young, the new waterfront police officer, made his first arrest on Washington's birthday. The Petrel reported that Carl Johansen had deserted and it was thought he had shipped in the bark Willcott and escaped. Young, however, heard he was still in the city, and located him beneath a coil of rope in the fore-castle of the Foohing Suey. The man had been sequestered there for three days.
